Dr. Edward Hill
Superintendent

The school year of '72-'73, besides being a first at Cathedral for our superintendent, proved to be a hard-earned success. During the spring of '73, Mr. Hill added the title of Doctor to his name, and our congratulations were in order. Looking beyond Dr. Hill's abilities and achievements, and into '73-'74 we saw discipline in action, and a man of great school spirit! And where would a school be if it's Administrative Head were not behind it all the way?

Who do we look to when school problems arise other than our dear principal, Sister Idamarie. What an eager worker as one can see by her paper filled desk. But she always has time for the students, and on a student level, too! Thanks to our new Advisory Committee (which was a great success), the Administration and students became closer attuned to each other's ideas.

MAN & WOMAN

"Artistically speaking, the tail belongs on the other end." (Mr. Richard Haeg)

Creativity is seen in the Art Department

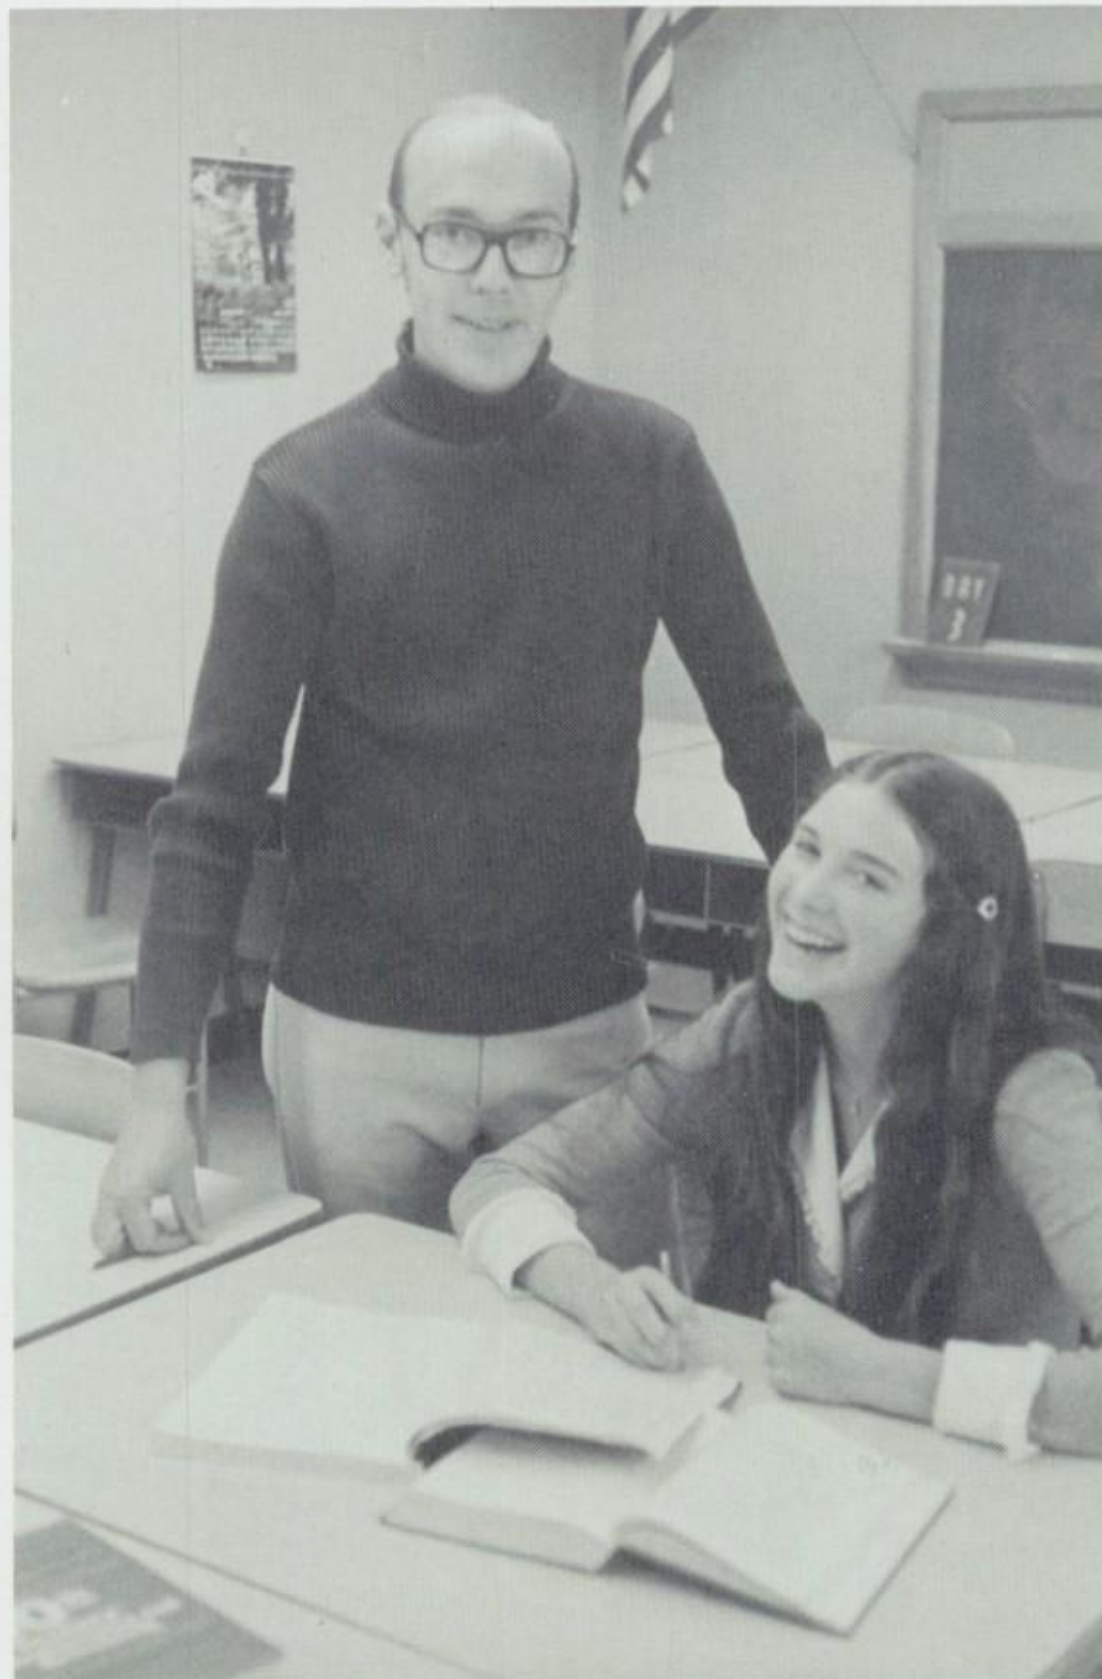

With Art I as a prerequisite, there were many opportunities for the young artist. The student in art is challenged to express himself in classes such as clay, design, fibers, metals and paints. The frequent art displays in the main hall express the variety of creativity and talent among the budding artists.

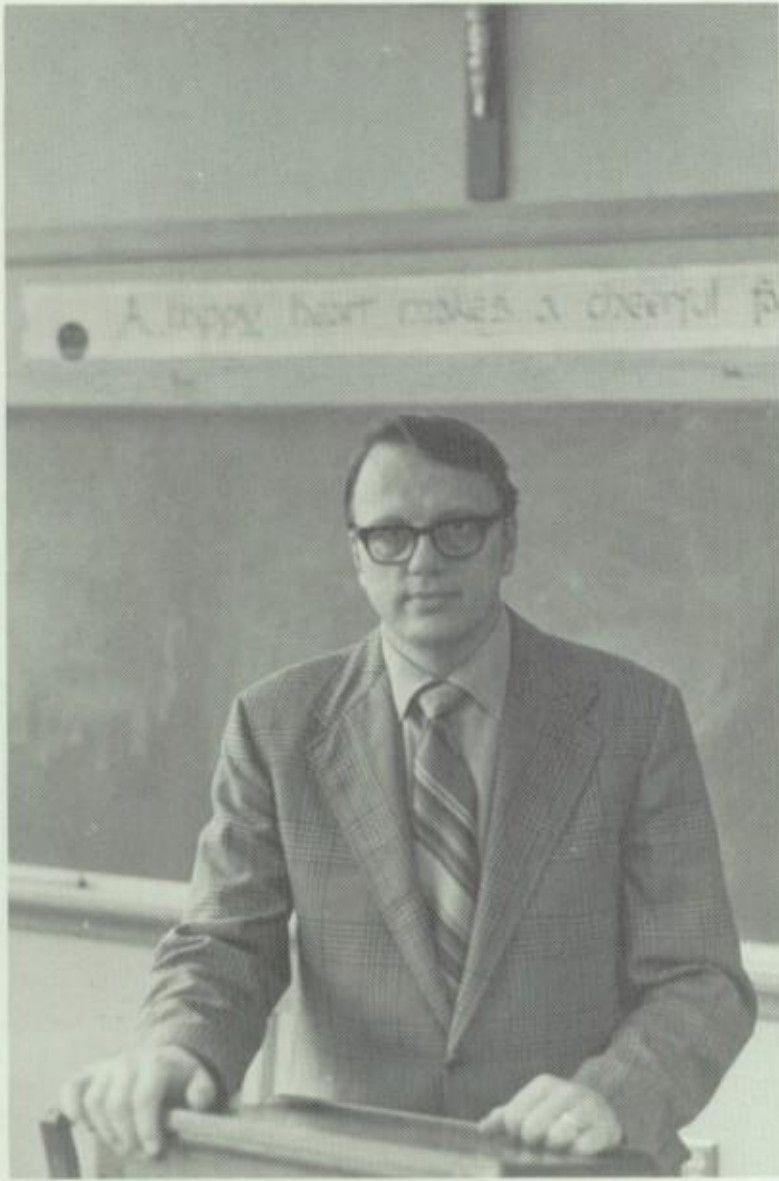

Mrs. Tanya Shorter, dreaming up new ideas.

Business expands by adding new courses.

The business department here at Cathedral is kept active teaching the student the necessary skills needed for a career in the business world. In an effort to better inform, the department has added two courses: Distributive Services and Occupations and Introduction to Business.

Gary Schloemer and Randy Poganski anxiously await their lesson.

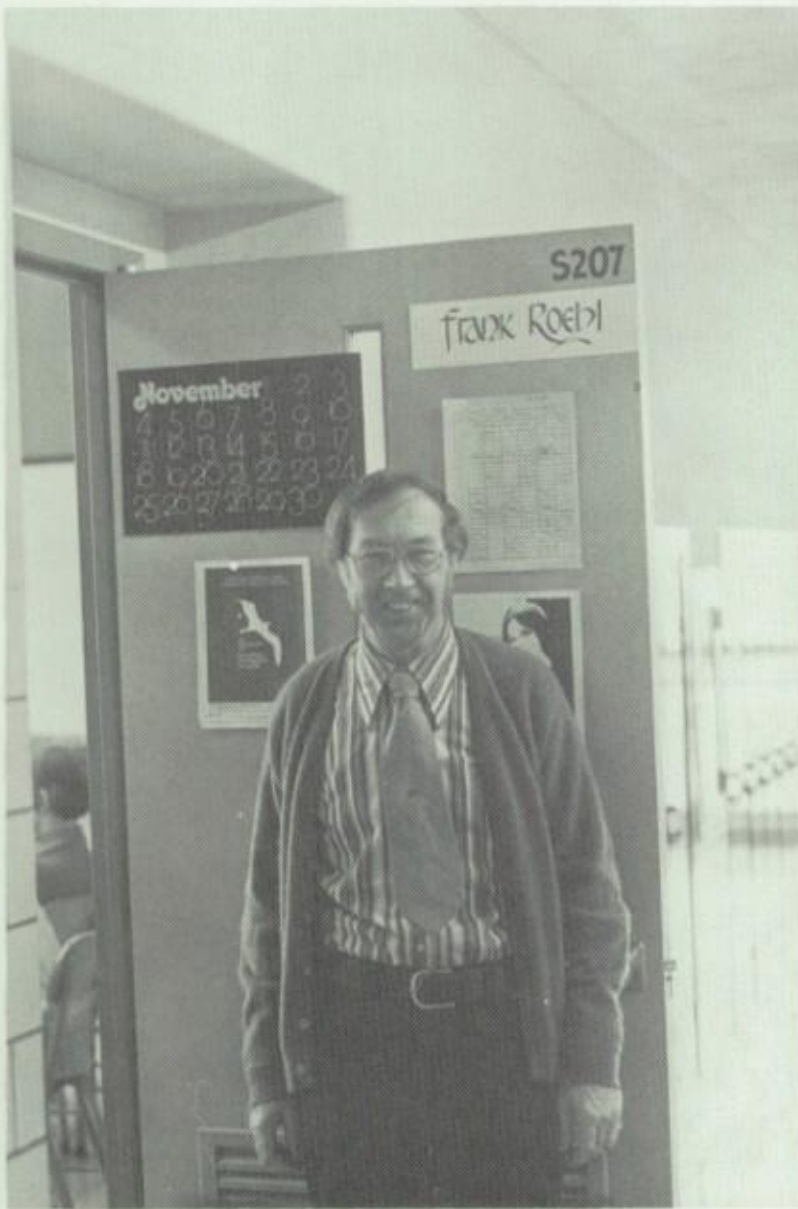

The ultimate objective of driver education at C.H.S. is to provide educational experience which will enable the students to develop the manipulative skills, knowledge competencies, visual perceptual abilities, and judgemental and decision-making processes necessary for the efficient and safe operation of an automobile.

English spells out the future.

English is language that we shape
...language that shapes us.
English is a tale told;
by people, for people.
English pushes out our boundaries
takes down, brick by brick,
our walls,
leaves us less guarded,
more human.

The English staff has encouraged
the student to express his personality,
experiences, and ideas through writing.

The home economics department attempted to prepare the student to meet the needs of home life through classes and tours of clothing, food, home furnishings, and management. These courses teach the student his role as an adult individual.

Foreign Language offers a world of opportunities.

"I give up." (Brother Manuel Sandoval, T.O.R.)

The French, German and Spanish classes encouraged and motivated the student to speak, read and write in the respective languages, and enjoy it at the same time. The college bound students find the languages here at Cathedral very helpful in their further studies.

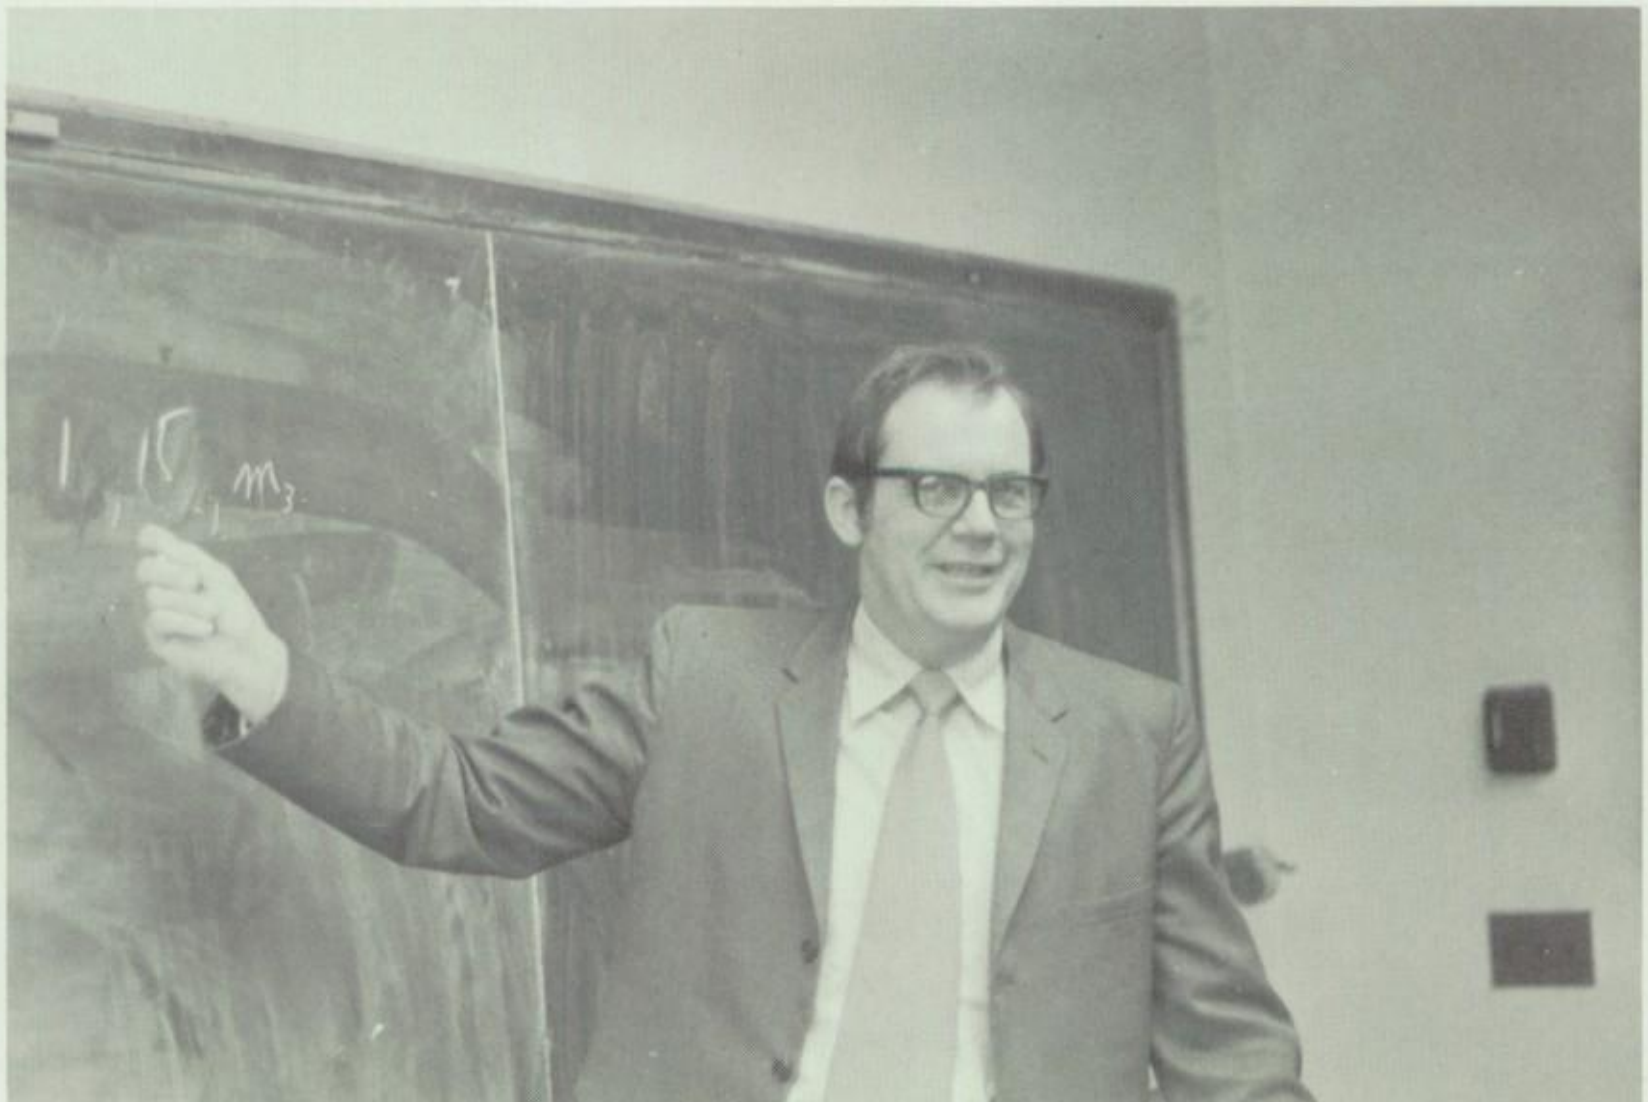

"Did I ever tell you the story of..." (Sr. Michaela Fuchs)

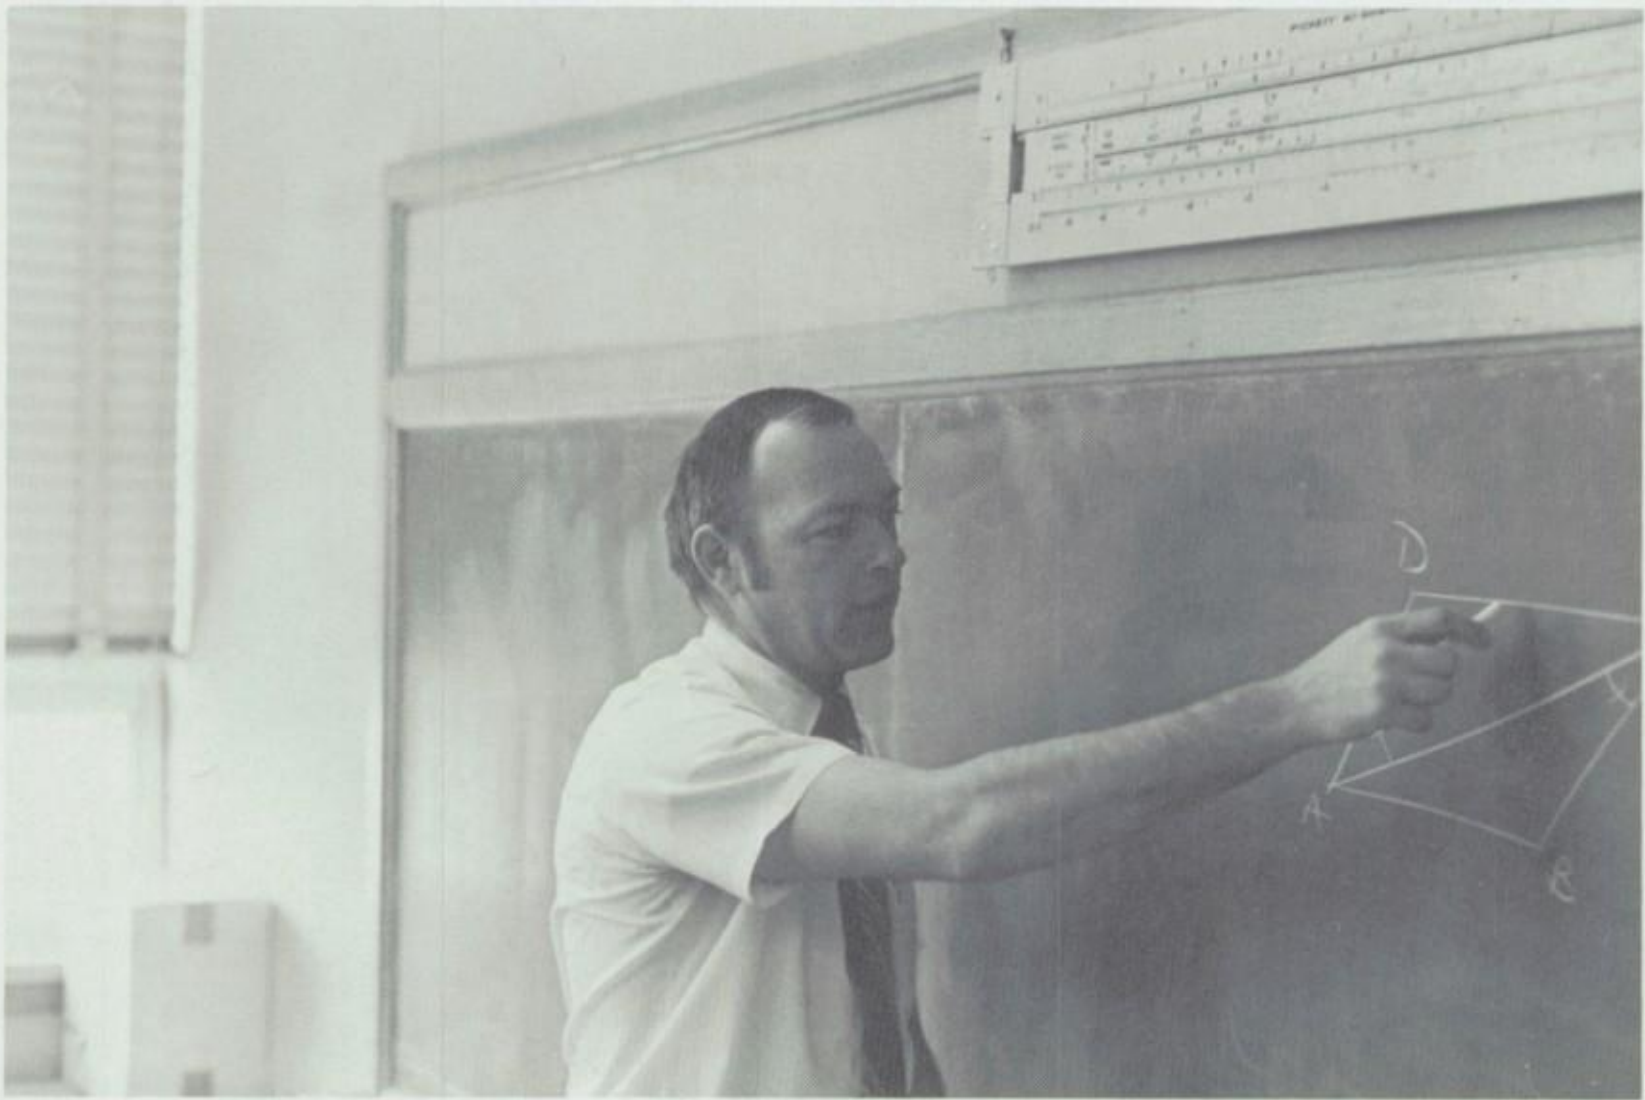

Sr. Charlene Kabarle lends a helping hand.

The stress on Math was modern technology and business. Again this year, the department has permitted students to study independently, allowing students to work at their own capacity. This encourages those who like math to hurry along and those who need more explanation to work according to their own comprehension.

Head of the Music Department, Mr. Richard O'Hearn displays his musical talents.

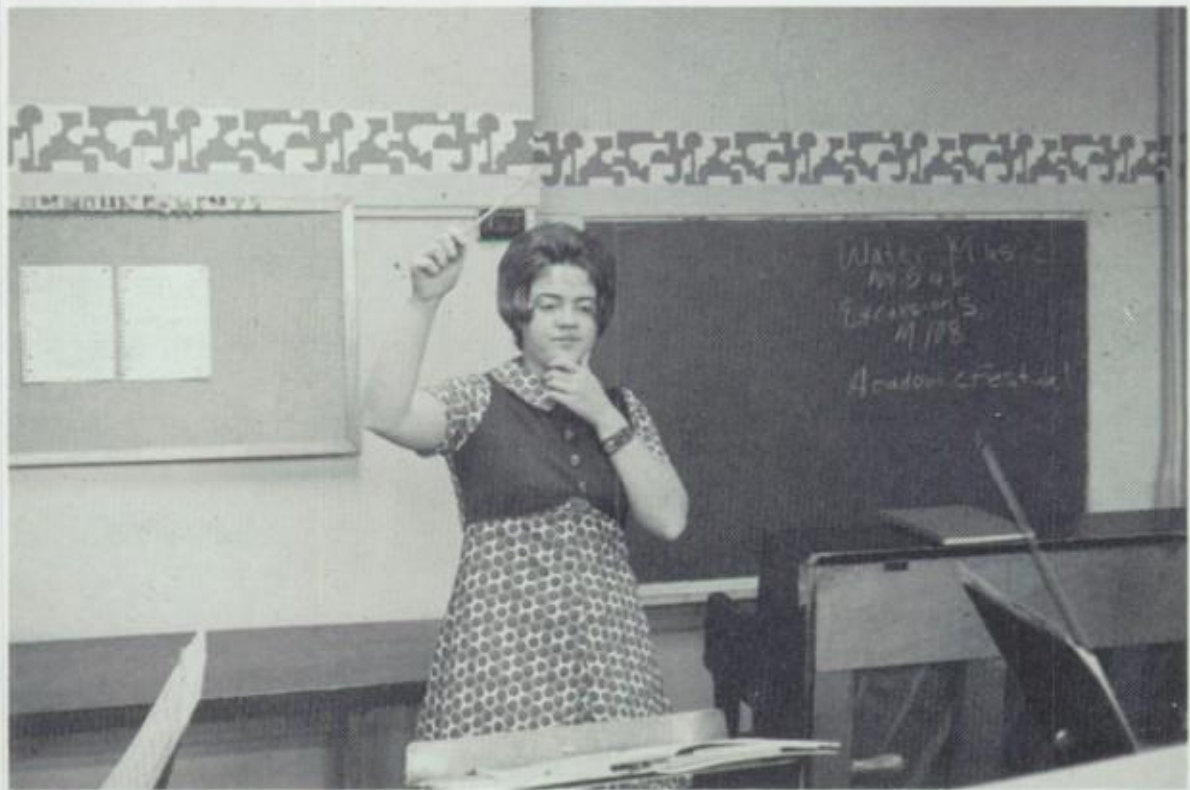

Music brings out the talent in everyone.

A full program was available for students with an interest in music. Band, Freshman Chorus, Girl's Chorus, Stage Band, Mixed Chorus, Orchestra, Minnesingers and Madrigals provide outlets to the interested musicians. This year the department welcomed the new Orchestra Director, Margaret Rieff.

Students apply Religion to their everyday lives.

A concern for this year's religion department was to thoroughly evaluate the offered courses, drop some, and add new ones in order to respond to the needs of students. All courses were electives. Students accepted the challenge of making religion more relevant in their lives.

"Your future is in the Stars," proclaims Mr. Norman Zirbes.

The science courses were conducted through large group lectures and laboratory exercises with new courses such as Astronomy, and Geology offered as quarter courses. Field trips were taken and the heavenly bodies were observed outside of class to further the student's scientific knowledge through the emphasis on discovery. Advanced courses were also offered in Chemistry and Biology. With such a variety of course offerings the college bound student is well prepared for his future.

Four years and still a success. Cathedral has, for the past four years, been allowing students to transfer over to Technical High School for classes that the Cathedral curriculum does not offer. This program has helped develop better rapport between the schools.

Seniors

Any class, in order to make it through the year, has to pull together. And this year, the senior class has pulled the hardest than it had in any of the years here at Cathedral. We started out as individuals, but as time progresses we joined together as one. We worked together in carrying on our Cathedral traditions: taking first place with our Homecoming float, a victory over the Junior girls in the Powder Puff Football Game, the first "Ole Time Dance," the prom and working along side of the Student Council; helped make our Senior year the best.

1974 Juniors

Once again, the Juniors were faced with the grueling task of preparing the annual Homecoming dance. We can say with much pride that it turned out exceptionally well. Following Homecoming, we organized a Thanksgiving Mass which brought the students of Cathedral together to give thanks. A retreat to Little Falls, and a Christmas sleigh ride were also planned. Looking forward to our senior year, we anticipate our last and good year together.

1974 Sophomores

This year's Sophomores buckled down early by fulfilling the traditional task of decorating the football field for Homecoming. Then the class officers and the newly elected class delegates were plunged into planning the details for a "Respect for Life" Mass. Sixty-three dollars was raised in the collection for "Pro Life" activities.

The best example of this class's zeal and school spirit was the magazine drive. They were the smallest class yet they brought in more money than any other class. Making a grand profit of one hundred forty dollars.

It is an exciting and talented class that is looking forward to other responsibilities in the future.

1974 Freshmen

The beginning of this school year was the same for this Freshman class as it has been for all Freshman classes. They must learn to cope with many new things; such as modular scheduling, and upperclassmen. By Homecoming, however, they united as a class and built a float for the Homecoming parade. That was their first venture as a class, and the new class officers hope to lead their class to many more. There is a sleighride planned for January and plans are also being made for a freshman sponsored dance. To the future leaders of Cathedral, "Good Luck!"

Homecoming '73

Cathedral's 1973 Homecoming activities shed a little different light this year: creation of some new traditions with continuation of the old.

The fun of Homecoming: working on floats, grueling practices of the Powder Puff Game and half-time show, many preparations for the game and dance was traditional. The hard work paid off with festivities beginning with the Pep Fest Coronation on Thursday, October 11th. Audie Rolfzen, 1972 Homecoming Queen, relieved the tension and crowned Nancy DeMuth Queen. Through tears of joy, all listened to the serenading of Janey Gohl and John Wocken. A special guest at the coronation was Cathedral's first Homecoming Queen, Mrs. Kay Fischer of 1944, who was invited back to make the 1973 Homecoming a memorable one. Thursday evening the senior girls overcame a tough junior team at the Powder Puff game and came back with a victory 13-6. The evening was highlighted by a new tradition—the Talent Show. Faculty and student talent combined making it an overwhelming success.

Friday's parade got underway with floats, clowns and music leading Queen Nancy and her court. Following the parade was an exciting CHS football victory over Montevideo 3-0, with a superb half-time show by the CHS band.

The cafeteria was decorated for the dance using the theme "Time is Always Just Today."

The perfect mixture of the old and the new made Homecoming 1973 more than a memory.

Queen Candidates: Mary Kay Schutz, Shelly Feia, Julie Williams, Joan Grundman, Mary Woit, Mary Kay Krutchen, Janey Gohl, Mary Kay Donlin, Arlene Althaus, Georgette Urbanyi, Nancy DeMuth, and Missy Olson.

Janey and John sing tributes to queen.

Talent Show

Sponsored by Student Council, and M.C.'d by Paul Kampa and Mike Bartley, the Talent Show proved to be a huge success. Over 400 people crowded into the North Auditorium to watch movies of W. C. Fields and The Little Rascals, and better yet, to see their fellow students and faculty members display amazing hidden talents. From the positive reactions to the show, it was evident that Student Council had found a great replacement for the traditional bonfire.

The National Honor Society of Cathedral erupted this past year and made itself known inside and outside Cathedral High School walls. The induction ceremony was held again this year, at which members received recognition on the basis of Service, Character, Leadership, and Scholastic Achievements. However, the group decided that more than merely exist, they should act. So this year, the National Honor Society members gathered several times to discuss various suggested programs. A major project was to help the community of St. Cloud by doing lawnwork, tutoring of students in the area grade schools, and assisting the March of Dimes in their crusade against birth defects. The officers were John Wocken, Pat McCann, Mary Donlin and Mary Montagne.

N.H.S. officers: John Wocken, president; Mary Kaye Donlin, secretary; Father Gerard Connolly, T.O.R., advisor; Mary Montagne, treasurer; Pat McCann, vice-president.

Student Council

Student Council officers: Mary Woit, secretary-treasurer; Mimi McReavy, president; and Mary Donlin, vice-president.

Student Council has proven an ability to get things accomplished this year with a 'first time' all girl slate.

Working together the work for the year started by compiling the Handbook followed quickly by Homecoming with the all-new Talent Show and invitations to former Homecoming Queens to attend this year's activities. The Magazine Drive and Thanksgiving Food Drive were very successful, demonstrating the great spirit of giving at Cathedral. This same spirit was exemplified at Masses celebrated throughout the year. S.C. has spread Cathedral generosity by giving to the Vietnam Missions.

The Advisory Committee was set up to deal with major school problems by uniting faculty members and the student body. Student Exchange Program began with the exchange with Blake High School. A guest appearance was made by Gov. Wendell Anderson, addressing an enthusiastic student body during his visit here.

Sno Daze Pepfest Carnival, Slicker Nite and Ski Day were also high points of this year. Parent's Appreciation Ball was held at the Elks this year with entertainment by the Stage Band and the Minnesingers.

S.C. sponsored the promotional billboard for CHS and also the reunion of actors for Sr. Judine's hard work on plays the past ten years. Council has set up a fund to make a park from the old Vocational Building site and is campaigning to 'Keep the Cafeteria Clean' at Cathedral.

Under the direction of Mr. Wenner, the new advisor, Student Council had a very good year because of the willingness to get involved and a desire to achieve.

Junior Kiwanis: Back Row: Loren Hall, Jeff Hagen, Dave Lind, Bob Chmielewski. First Row: Pat McCann, John Miller, Tom Kub, John Wocken.

The Cathedral Speech Team experienced unprecedented success this year. As a result of hard work and team spirit, many of the members made it to the top in their divisions. These speakers participated in Discussion, Extemporaneous Speaking and Writing, Story Telling, Serious and Humorous Interpretation, Original and Nonoriginal Oratory and even T.V. and Radio Broadcasting.

Who knows, we may see one of these speakers on television in political debates.

Debate Officers: Tom Kunesh, Mary Montagne, and Leonard Zylla.

NFL and Student Theatre

This year, with a smaller number of members, the Student Theatre tried to work more closely together and had a lot of fun doing it. They sponsored two plays this year, "The Black Box" with John Sauer and Jeff Studer, and "The Red Carnation" with Bill McReavy, Tom Kunesh and Mary Woell. Both were very enjoyable and well done.

Drama Club: Terri Porwoll, Tom Kunesh, Mary Montagne, Clare Eickhoff, Jeanne Ayers, Jeff Studer, and John Sauer.

Family Leader of Tomorrow

Minnesota's 1974 "Family Leader of Tomorrow" is Cathedral Senior, Steve Gadbois. Steve is the first Cathedral student to win the title and also the first boy in Minnesota to attend the National Contest in Washington, D.C. At Cathedral Steve is a member of N.H.S., Cross Country and Track. He has been active in the Boy Scout program and is presently a Scout Leader. Steve plans to attend St. John's University next year, majoring in mathematics.

Jeanne Ayers placed first in discussion; Tom Kunesh, best presiding officer in the Senate; Dave Lind, best speaker of the House I; and Mary Montagne, first place in serious interpretation. The Cathedral Cheerleaders -- Spirit, Pep, Faith

Many long hours of tough work and a lot of enthusiasm put the 1973-74 cheerleading squads "together." Each year new cheerleading squads are chosen to carry on the fun and glory of leading the fans and supporting our teams on their way to victory. This year a new squad of cheerleaders was started to support the wrestlers. Each year in the spring new squads are chosen for basketball, football, hockey, and wrestling.

Sophomores, juniors, and seniors represent this organization faithfully by the enthusiasm they display throughout the year at all the games.

Sno-Daze

"You've got legs!"

A pep-fest organized by Student Council, and the coronation of Queen Janey Gohl, King Bob Bach and their court, kicked off the Sno Daze events. Ski-Day was a great success as many CHS students were drawn to the slopes by beautiful weather and special Powder Ridge rates. A school carnival hosted the famous pickle-eating and hairy legs contests. The carnival was followed by "Slicker Nite" at the CHS-Cretin basketball game. The CHS "Greasers" then abandoned their shoes for the soc-hop after the game. The evening was highlighted by the appearance of Cathedral's Beach Boys and our own "Elvis" Kampa. The numerous Sno Daze activities proved to be a welcome break to the January blues!

January 18, 1974 dawned as the second annual Day 7 at Cathedral High School. Students began the day with an all-school Mass in Holy Angel's Church and then proceeded to their choice of a morning class for which they had preregistered. With a range of over 40 classes, students had an opportunity to enjoy themselves as they learned how to do anything from bake bread to ride a motorcycle, self defense to baby care, or candle making to playing bridge.

After lunch, the girls' gymnastics team and Minnesingers provided an hour of entertainment in the girls' gym. This all-school program was followed by afternoon classes—again the choice of the individual.

Day 7 was generally quite well received by the student body and faculty. Suggestions have been made to further improve on next year's program, such as more classes, more student involvement, and having it during a different season of the year.

"Moose" leads team to second half action in the Homecoming Game.

The football season was somewhat frustrating for Cathedral in 1973. Finishing with a 3-6 won-loss record was certainly the worst in recent years at CHS.

Recapping the season though, there are bright spots that made the season worthwhile. With one of the toughest schedules in Cathedral history, the Crusader eleven did manage three wins at home for the hometown fans. The initial win came against the Benilde Red Knights in the home opener, 14-13. The next effort was in vain, as St. Thomas, a perennial Catholic power, came to town and walked away with a 14-0 victory. With the Crusader offense sputtering, Coach Marty Rosen and assistants were skeptical going into the Apollo tilt, but a total effort by the Deadly "D", and an awesome offensive display in the first half, powered the Crusaders to a 19-0 win. This was definately "the biggest win in CHS history!"

The final win of the year came off "Ivory Toe" Pat Baldwin's foot in an overtime victory in the Homecoming clash against a stingy Montevideo squad, 3-0.

Losses were incurred at the hands of Crosby-Ironton, St. Thomas, Cretin, Fergus Falls, Osseo, and Hermantown.

Receiving special honors as All-Metro gridders were captains Jeff Hagen and Bob Musielewicz, along with Paul Kalkman and Doug Malikowski. "Moose" was also selected to the WCCO honor team.

Unique is the word that describes this year's cross-country team. The team enjoyed a winning season which was culminated by a fourth place finish in the State Independent Meet. The team's success was due to desire and lots of hard work under first year coach Fred Rupp. Workouts were difficult, yet made enjoyable through the use of variety and modern training techniques. One highlight of the season was the teams 70-mile relay to the Cretin football game in St. Paul.

The Seniors of this year's cross-country team will be missed, but the underclassmen that are more than prepared to fill the gaps. The Junior varsity's winning season indicates the continuing success of the cross-country program at CHS.

Dribblers Sport Excellent Form

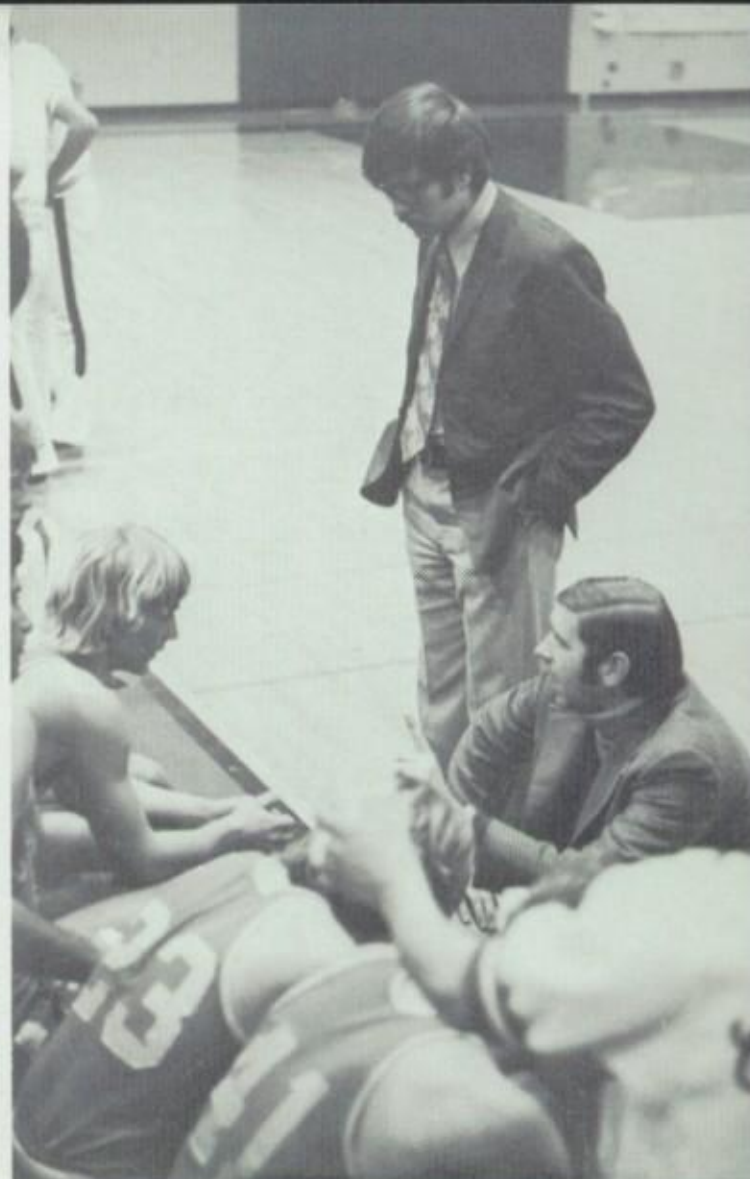

Although the 1973-74 basketball season was somewhat of a disappointment, there was evidence of a great degree of team spirit and pride generated by the dribblers. This pride and spirit was developed under the influence of head coach Bob Karn and his assistant, Darrell Severson. Together with the encouragement of the Crusader fans who readily supplied their support to the team, the team definitely had its highs and lows. The team was paced by the Hagen brothers, Jeff and Tim, who led in practically every facet of the game, including shooting and rebounding. The word for "quarterback" Paul Kalkman, is one of consistency, as he averaged a steady 8.3 points from his guard spot. Tom Kub led the high flying fast break, as ever-present Loran Hall hustled on defense.

Highs of the year came with a 74-58 thrashing of neighbor Sartell, a 12 point edge over Duluth, and two wins over St. John's Preps.

Tom Kub gets two points against Rocori.

The sophomores, under the direction of second year coach Darrell Esterly, compiled a 8-10 record against the junior-varsities of other schools. The freshmen, led to a 11-3 record by Jim Schleper, was coached by Jeff Barott.

With a little more time and playing experience, these two teams will certainly become another successful Crusader team.

Grapplers Capture Region Crown

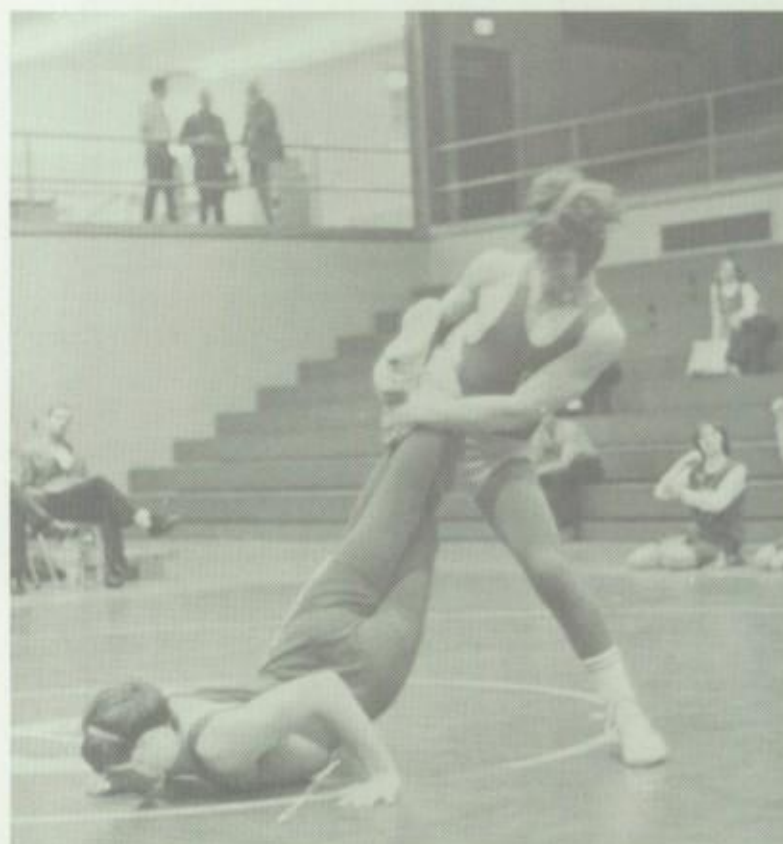

In the wins-losses sense of the word, the '73-'74 wrestling season was not outstanding. The team was faced with the toughest wrestling slate on the CHS record books, confronting 17 opponents in dual meets, including 9 strong public schools. Crippled throughout the year by an unfortunate amount of illness and injury, the hapless squad could only labor all the harder to fight through its grueling schedule. Their hard work and determination payed off in the end, though. The Crusader grapplers had a surprising performance in the last annual Northern Regional tournament, and captured the region crown for the twelfth year in a row.

After a slow start, the '73-'74 CHS Pucksters began to show vast improvement. Besides the high flying line of Bob Sauerer, Jim Rice and Bob Musielewicz, other Crusader skaters had a hard time putting the puck into the net until late in the year. Sauerer and Rice were 1-2 in city scoring with 29 and 21 points respectively. "Moose" had the honor of being the only skater in the brief CHS hockey history to score 3 goals in one game. His "hat trick" was scored against Fridley Grace. The line of Mark Williams, Randy Poganski and Kurt Nierengarten or Ben Statz scored seldom but allowed the least number of goals of the CHS lines. Pipe Protector Bob Hanson was tested often and was equal to the task. Bob's goal against average increased this year from 2.3 to 3.3, but his save percentage also increased, which is the best indicator of a goal tender's progress. The Blue-line pair of Danny Williams and Pat Baldwin were the backbone of the defensive corps. Larry Hess, Tim Yager and Mark Hess added fortitude and hustle and rotated on the second defensive crew.

Honors bestowed upon the C.H.S. Pucksters this year include four team members being selected to the All-City team. Bob Hanson was selected at his goalie position, along with the line of Sauerer, Rice and Museilewicz as forwards.

CHS Batters "Ring" Out Victories In '74

The C.H.S. Baseball team had an experienced look in 1974. Seven returning letter-winners from the '73 nine gave the team a solid nucleus.

Leading the team were co-captains Tom Henning and Bob Chmielewski. The hitting was consistent with senior Dick Koltes and junior Tim Hagen readily supplying offensive punch with their bats. Stable defense, a Cathedral trademark, was outstanding as junior infielders Bob Sauerer, Pete Hess and junior outfielder Stan Smith continually came up with many fine and unique fielding plays throughout the year.

With only 4 of the 20 varsity players departing through graduation and with the many fine players who are underclassmen, the outlook for next year has to be considered excellent.

CHS Netters Show Youth, Experience

The 1974 C.H.S. Tennis team definitely had a young but experienced look. With juniors Steve Cash and Randy Bakke, both returning letterwinners from the 1973 squad, battling for the No. 1 singles position all year, the competition remained keen. The No. 3 singles was handled by either senior Phil Palmquist or senior Mark Poepping. Assumming duties at No. 1 doubles were junior Doug Brutger and his senior partner Tony Sis. Tony and Doug, also '73 letterwinners, combined for many important team points this year. Head Coach Jack Fisher guided his team to 14 dual matches this season with both A and B squad competition. With 12 boys participating and many returning, the team is looking forward to another successful season next year.

'74 Golfers Show Depth

The 1974 golfers had to overcome early season weather conditions to win some of their earlier matches. At the start of the season there was a large turnout of players competing for the top six varsity positions.

Through this keen competition, along with help from veteran coach Mrs. Thomas Kolbo, the golfers turned in some excellent scores.

Returning 1973 letter winners included senior Captain John Ellenbecker, seniors Mark Williams and Tom Wirth. Underclassmen Dave Rawlings, Bob Hanson, Tim Zylla, and Bob Hengel gave the team a solid center of strong golfers, adding much needed depth.

Senior Tracksters Provide Backbone In '74

Paul Kalkman leads the pack.

The 1974 track team was one of the finest in recent C.H.S. history. Led to the tape by senior sprinter Tom Kub, the team had many strong events. Three year letter winner Paul Kalkman and Kub led the long jump with many spectacular leaps. "Pole" Kalkman also was consistently a high place finisher in pole vault competition. Another senior, Pat McCann seemed to always win at his specialty, the 880 yard run. Pat was also called upon to perform with the mile relay team, always a point getter for C.H.S. Underclassman Tom Eickhoff, Joe Nelson and Paul Friebe performed well when called upon for relay events. Head Coach Jack Weiber believes this track team will make an improvement upon their 2nd place finish in the Independent State Meet last year, which of course means another coveted state title for C.H.S.!

The 1973-74 girl's gymnastics team was strong, ambitious, and one to be proud of. During their season, many sacrifices and hard long hours of practice were involved. Nancy DeMuth, Becky Steinkopf, and Mary Kay Schutz are the only three seniors departing through graduation. With five letter winners returning, head coach Norma Dobbs is looking for another successful season.

'73-'74 Girl Cagers Young

The young girls basketball team finished its second year of existence in '73-74. Playing a total of 10 games, the girl dribblers compiled a 3-7 won-loss record. This record, although, did not give any indication of the potential and enthusiasm carried by the team throughout the year. All team members will be returning with one more year of progress and experience, and a bright outlook for next year's season is forseen.

Senior Athletes of the Year

A new dimension was added to the C. H. S. yearbook in '73-'74. With the combined efforts of the Cathedralite sports staff along with various varsity coaches, the Cathedralite senior "Athletes of the Year" were chosen for 1974.

Jeff Hagen, a St. Francis Xavier graduate, was chosen as male athlete of the year. Jeff's athletic accomplishments include being chosen as a quarterback on the St. Cloud All-Metro football squad and was co-captain in both football and basketball in '73-'74. In his four years at C.H.S. Jeff earned six varsity letters and still maintained a 3.867 point average.

The female athlete of the year was Mary Kay Schutz, from St. Anthony's parish. Mary Kay, a cheerleader for three years, was active in the C.H.S. pep club for four years. Her spirit shown through as she was captain of the 1974 girls volleyball team, elected by her teammates. In addition to volleyball, she participated in girl's gymnastics for four years and played in the festive girl's powder puff game her junior and senior years. Mary Kay was one of the top ten queen candidates in 1973, and made the upper quartile of her class.

Congratulations go out to these two fine C.H.S. athletes from the Cathedralite and it's staff!
